It will be observed that our extract of Lemon and Orange is a prepared extract from the Peel, which any one may be convinced of by merely smelling them.
The price of Vanilla Beans, too, has caused more useless Extract of Vanilla to be manufactured and sold than any other essence being either made from Tonka Beans, or some other fictitious compound. In our Extract we WILL GUARANTEE A PURE ARTICLE! made from the true Bean, without any foreign substance whatever.

Bell's Worm Syrup.

THE MOST INNOCENT, PLEASANT AND EFFICIENT REMEDY IN USE.—A REMEDY PERFECT IN ITSELF.—*No Castor Oil to be Taken.*—In this Preparation we have included such remedies only as have been tried for years and are known to possess powerful anthelmintic virtues, combined with mild aperients, pleasant aromatic and sugar. Anthelmintics of themselves cannot perform their peculiar functions or have the desired effect, unless the bowels are kept moderately open. To produce this, gentle purgatives are necessary and such only ought to be used that cannot interfere with the anthelmintic employed. The advantages we claim for this Syrup are:
1st. Its power of DESTROYING AND EXPELLING WORMS!
2d. Its mild aperient effect upon the bowels.
3d. Its pleasant taste and odor are advantages possessed or claimed by very few Vermifuges.
4th. Its harmless influence upon the system, consequently no injurious effects will result from its use should the patient have no Worms, but an apparent disease, arising from some other unknown cause, which is frequently the case.
The constituents of this Syrup and its effects are known to many Physicians, who are now using it in their practice to a large extent.
Price 25 cents a bottle.

The Greatest Liniment in Use.

BELL'S WHITE OIL!—*The Blandest, Cleanest, most Penetrating and most Economical Liniment in Use.*—A powerful Oleaginus Compound for the Speedy Cure of Rheumatism, Strains, Sprains, Wounds, Numbness of the Limbs, Frosted Feet and Hands, Spavin, Saddle Galls, Poll-Evil, Ring Bone, Bruises, Swellings of all kind, and in fact every disease for which an Embrocation is applicable, either in Man or Beast. Price 25 cents a bottle.—This preparation, which is original with us, will be found to be one of the nicest and at the same time one of the most reliable applications extant.
Having been employed very extensively since its introduction and feeling satisfied of its remedial properties, we recommend it with the utmost confidence, knowing that no one will be disappointed in its use. It is, as its name implies, a white liniment of the consistency of cream, containing nothing offensive, but, on the contrary, will be found more pleasant than otherwise.

Bell's Alterative,

OR CONDITION POWDERS!
FOR HORSES, CATTLE & SWINE.
25 cents a paper, or five papers for $1.
The immense sale of these Powders during the short period they have been before the public, is a sufficient guarantee of their great popularity, and the decided benefits derived from their use.
They are confidently recommended not only as a preventive, but as a complete cure for all diseases incident to the HORSE, COW or HOG, as Loss of Appetite, Coughs, Heaves, Yellow Water, Distemper, Glanders, &c., &c.
By their use the Horse's Appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance, and may be used with perfect safety at all times, as it contains no ingredients which can injure a horse, whether sick or well.
They cleanse the breathing apparatus by ejecting from the air cells coagulated matter, or that formation which so severely clogs them, causing a tightness in breathing, and by their peculiar action on that part, they cause the mucus membrane to resume its natural dimensions, thus equalizing the circulation of the blood and restoring the distended vessels to their natural size.
For fattening cattle they are invaluable, also possessing peculiar properties in increasing the quantity of milk in Cows, thereby giving them an importance and value which should place them within the hands of all interested.
All diseases to which the Hog is subject, as Coughs, Ulcers in the Lungs and Liver, and as a general purifier of the blood we guarantee their efficacy if once fairly tried.

THE "DESERTER" ACT.

Opinion of the Supreme Court of Pennsylvania.

A Deserter must be Convicted by a Court Martial before he can be Disfranchised.

THE HUBER VS. REILY CASE.

At the last October election, in Franklin county, a so-called "Deserter" was refused his vote by a Republican Election Judge. The case was taken to Court, and Judge King, (a Republican,) decided against the Election Judge, inflicting a fine, and declaring that the Election Judge acted illegally in refusing said vote. An appeal was taken to the Supreme Court of the State, and that tribunal sustained the decision of Judge King.

The opinion of the Supreme Court settles, among other things, this important point, *that no man is in law a deserter until he is convicted, and that the only evidence of his desertion is the record of his conviction;* and further, *that Election officers cannot sit in judgment upon deserters.*

Justice Strong delivered the opinion of the Court, as follows:

* * The fifth article of the amendments to the the Constitution ordains "that no person shall be held to answer for a capital or other infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service, in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself; nor be deprived of life, liberty or property without due process of law." The sixth article secures to the accused in all criminal prosecutions certain rights, among which are a speedy and public trial, by a jury of the vicinage, information of the nature and cause of the accusation, face to face presence with the witness against him, compulsory process for his own witnesses, and the assistance of counsel. The spirit of these constitutional provisions is briefly that no person can be made to suffer for a criminal offense unless the penalty be inflicted by due process of law. What that is has often been defined, but never better than it was both historically and critically by Judge Curtis, of the Supreme Court of the United States, in Den vs. Murray, *et al* 18 Howard 272. It ordinarily implies and includes a complainant, a defendant, and a judge, regular allegations, opportunity to answer, and a trial according to some settled course of judicial proceeding. It must be admitted there are few exceptional cases. Prominent among these are summary proceedings to recover debts due to the government, especially taxes and sums due by defaulting public officers. But I can call to mind no instance in which it has been held that the ascertainment of guilt of a public offense, and the imposition of legal penalties, can be in any other mode than by trial according to the law of the land, or due process of law, that is the law of the particular case, administered by a judicial tribunal authorized to adjudicate upon it. And I cannot persuade myself that a judge of elections or a board of election officers, constituted under State laws, is such a tribunal. I cannot think they have power to try criminal offenders, still less to adjudge the guilt or innocence of an alleged violator of the laws of the United States. A trial before such officers is not due process of law for the punishment of offenses, according to the meaning of that phrase in the Constitution. There are, it is true, many things which they may determine, such as the age and residence of a person offering to vote, whether he has paid taxes, and whether, if born an alien, he has a certificate of naturalization. These things pertain to the ascertainment of a political right. But whether he has been guilty of a criminal offense, and has, as a consequence, forfeited his right, is an inquiry of a different character. Neither our Constitution nor our law has conferred upon the judges of elections any such judicial functions. They are not sworn to try issues in criminal cases. They have no power to compel the attendance of witnesses, and their judgment if rendered would be binding upon no other tribunal. Even if they were to assume jurisdiction of the offence described in the act of Congress, and proceed to try whether the applicant for a vote had been duly enrolled and drafted, whether he had received notice of the draft, whether he had deserted, and failed to return to service, or failed to report to a provost marshal, and whether he had justifying reasons for such failure, and if after such trial they were to decide that he had not forfeited his citizenship, all this would not amount to an acquittal. It would not protect him against a subsequent similar accusation and trial, it would not protect him against trial and punishment by court martial. Surely that is no trial by due process of law, the judgment in which is not final, decides nothing, but leaves the accused exposed to another trial in a different tribunal, and to the imposition by that other tribunal of the full punishment prescribed by law. * *

It would be very absurd to suppose that two trials and two condemnations for one crime were intended, or that it was designed that a criminal might be sentenced in one court to undergo part of the punishment denounced by the law, and be punished in another court by the imposition of the remainder. The law as it stood when the act of 1865 was passed had provided a tribunal in which alone the crime of desertion could be tried, and by which alone the penalties for desertion could be inflicted. The consequences of conviction may be noticed in other courts, *but the tribunal appointed by the law for that purpose is the only bar that can determine whether the crime has been committed, and adjudge the punishment.*

The act of March 3, 1865, is not to be considered apart from the other legislation representing the crime of desertion. It is one of a series of acts pertaining to the same subject matter. It must therefore be interpreted with them all in view. This is an admitted rule of statutory construction. So long ago as Rex vs. Laxdale, 1 Burrows, 147, Lord Mansfield said, when speaking of acts of Parliament, "that all which relate to the same subject, notwithstanding some of them may be expired or not, notice must be taken to be one system and construed consistently." So Chancellor Kent, in the first volume of his commentaries, page 463-4, said: "It is to be inferred that a code of statutes relating to one subject was governed by one spirit and policy, and was intended to be consistent and harmonious in its several parts and provisions." In looking through the numerous acts of Congress relating to desertion from the military or naval service, it is plainly to be seen that they all contemplate a regular trial and conviction prior to the infliction of any penalty, and courts martial are constituted and regulated for such trials. The 20th article of war, enacted on the 10th of April, 1806, (Brightly's Dig. 75) is in these words: "All officers and soldiers who have received pay, or have been duly enlisted in the service of the United States, and *shall be convicted* of having deserted the same, shall suffer death or such other punishment as *by sentence of court martial*, shall be inflicted." Other enactments have been made at different times respecting the punishment to be inflicted for the offense. The punishment of death in time of peace was abolished in 1830. Corporeal punishment by stripes was abolished by the act of May 16, 1812, and by the act of March 2, 1863, that section of the repealing act was itself repealed, "so far as it applies to any enlisted soldier *who shall be convicted* by a general court martial of the crime of desertion." By the act of January 11, 1812, an additional penalty was prescribed for desertion, and it was declared that "such soldier shall and may be tried by a court martial and punished." Brightly's Dig. 89. The 13th section of the act of March 3, 1863, which declared that any person failing to report after due service of notice that he had been drafted, shall be deemed a deserter, enacted that such a person "shall be arrested by the provost marshal and sent to the nearest military post *for trial by court martial*, unless, upon proper showing that he is not liable to military duty, the board of enrollment shall relieve him from the draft." All these acts of Congress manifestly contemplate trial for desertion in courts martial, and the infliction of no punishment or forfeiture except upon conviction and sentence in such courts. The act of 1806 provided for general courts martial, and made minute and careful regulations for their organization, for the conduct of their proceedings, and for the approval or disapproval of their sentences. Subsequent acts made some changes, but they have not restrained the jurisdiction or diminished the powers of such courts. It is to such a code of laws, forming a system devised for the punishment of desertion, that the twenty-first section of the act of March 3, 1865, was added. It has the single object of increasing the penalties, but it does not undertake to change or dispense with the machinery provided for punishing the crime. The common rules of construction demand that it be read as if it had been incorporated into former acts. And if it had been, if the act of 1806 and its supplements had prescribed that the penalty for desertion or failure to report within a designated time after notice of draft, (which the act of 1863 declares desertion) should be punished, on conviction of the same, with forfeiture of citizenship and death, or in lieu of the latter, such other punishment as by the sentence of a court martial may be inflicted, would any one contend that any portion of this punishment could be inflicted without conviction and sentence? Assuredly not. And if not, so must the act of 1865 be construed now. It means that the forfeiture which it prescribes, like all other penalties for desertion, must be *adjudged* to the convicted person after trial by a court martial and sentence approved. For the conviction and sentence of such a court there can be no substitute. They alone establish the guilt of the accused and fasten upon him the legal consequences. Such, we think, is the true meaning of the act, a construction that cannot be denied to it without losing sight of all the previous legislation respecting the same subject matter, no part of which does this act profess to alter.

It may be added that this construction is not only required by the universally admitted rules of statutory interpretation, but it is in harmony with the personal rights secured by the Constitution, and which Congress must be presumed to have kept in view. It gives to the accused a trial before sworn judges, a right to challenge, an opportunity of defense, the privilege of hearing the witnesses against him, and of calling witnesses in his behalf. It preserves to him the common-law presumption of innocence until he has been adjudged guilty, according to the forms of law. It gives finality to a single trial. If tried by a court martial and acquitted, his innocence can never again be called in question, and he can be made to suffer no part of the penalties prescribed for guilt. On the other hand, if a record of conviction by a lawful court be not a pre-requisite to suffering the penalty of the law, the act of Congress may work intolerable hardships. The accused will then be obliged to prove his innocence whenever the registry of the provost marshal is adduced against him. No decision of a board of election officers will protect him against the necessity of renewing his defense at every subsequent election, and each time with increased difficulty arising from the possible death or absence of witnesses. In many cases this may prove a gross wrong. It cannot be doubted that in some instances there were causes that prevented a return to service, or a report by persons registered as deserters by provost marshals, that would have been held justifying reasons by a court martial, or at least would have prevented an approval of the court's sentence. It is well known, also, that some who were registered deserters were, at the time, actually in the military service as volunteers, and honorably discharging their duties to the government. To hold that the act of Congress imposes upon such the necessity of proving their innocence, without any conviction of guilt, would be an unreasonable construction of the act, and would be attributing to the National Legislature an intention not warranted by the language and connection of the enactment.

It follows that the judgment of the Court below, upon the case stated, was right. *The plaintiff not having been convicted of desertion and failure to return to the service, or to report to a provost marshal, and not having been sentenced to the penalties and forfeiture of the law, was entitled to vote.*

The judgment is affirmed.

The Qualifications of an Elector.

Extract from the Constitution of Pennsylvania.

ARTICLE 3.

SEC. 1.—In elections by the citizens, every white freeman of the age of twenty-one years, having resided in this State one year, and in the election district where he offers to vote ten days immediately preceding such election, and within two years paid a State or County tax, which shall have been assessed at least ten days before the election, shall enjoy the rights of an elector; but a citizen of the United States who had previously been a qualified voter of this State, and removed therefrom, and returned, and who shall have resided in the election district, and paid taxes as aforesaid, shall be entitled to vote, after residing in the State six months: *Provided*, that white freemen, citizens of the United States, between the ages of twenty-one and twenty-two years, and having resided in the State one year, and in the election district ten days, as aforesaid, shall be entitled to vote although they shall not have paid taxes.

The Proposed Amendments Denied by the Radical National Committee.

They Mean that Congress Shall Enforce Negro Equality.

The Radical party of Pennsylvania declare that the proposed amendments to to the Constitution, as presented by Congress, constitute their platform. Their grand effort in the campaign now progressing has been to induce the masses of this State to believe that it is for their interest to vote to keep the Southern States out of the Union until these amendments are ratified and adopted by them.

What is proposed to be done by these amendments? What do they mean in plain English? What will be the effect of their adoption. These are questions now being asked by the masses. Here in Pennsylvania an attempt has been made to deceive the people. Radical orators and newspapers have interpreted them wrongly. They have denied that they mean negro suffrage and negro equality.

Fortunately all such assertions have been proved to be naked lies by the very highest Radical authority. The National Radical Committee has issued an address to the American people. We presume it will be published by every Radical newspaper in the State. If it is, the masses will have no longer any difficulty in determining the exact meaning, purpose and intent of the proposed amendments. They are defined by this, the highest Radical authority known, in the following language:

1. ALL PERSONS BORN OR NATURALIZED IN THIS COUNTRY ARE HENCEFORTH CITIZENS OF THE UNITED STATES, AND SHALL ENJOY ALL THE RIGHTS OF CITIZENS EVERMORE; AND NO STATE SHALL HAVE POWER TO CONTRAVENE THIS MOST RIGHTEOUS AND NECESSARY PROVISION.

2. WHILE THE STATES CLAIM AND EXERCISE THE POWER OF DENYING ELECTIVE FRANCHISE TO A PART OF THEIR PEOPLE, THE WEIGHT OF EACH STATE IN THE UNION SHALL BE MEASURED BY AND BASED UPON ITS ENFRANCHISED POPULATION. IF ANY STATE SHALL CHOOSE, FOR NO CRIME, TO DENY POLITICAL RIGHTS TO ANY RACE OR CASTE, IT MUST NO LONGER COUNT THAT RACE OR CASTE AS A BASIS OF POLITICAL POWER IN THE UNION.

A Desperate Game!

TRADING OF TICKETS!!

The Radicals have settled down on one or two of their candidates, for whom they will make an effort to trade off the balance. Democrats, of course, will be on their guard. Make no trades. When a Radical approaches you with a proposit on that he will vote for one of our men if you vote for one of theirs, tell him you "can't see it!" for, the Democracy of Adams county have the power, and intend to elect their whole ticket by a handsome majority.

☞Democrats and Conservatives, don't forget the Mass Meeting to be held in Gettysburg on Thursday next. COME!—ALL COME!—and participate in one of the grandest political demonstrations ever had here. Clymer will be with us.

☞The Democratic Mass Meeting at York on Monday last was the largest ever held there. From ten to fifteen thousand people were present. The procession, from four to six men deep, required one hour and a quarter to pass a given point. Clymer, Doolittle, Vaux, Black and Hepburn made speeches. The fires are burning brightly in "Old Democratic York."

Election, Tuesday, October 9th.

To the Democrats and Conservative Men of Adams County.

Democrats! Conservative Men! Victory, a glorious victory, is within your grasp.

You have right, truth and justice on your side.

The cohorts of the Northern Disunionists, the blind followers of such traitors as Thaddeus Stevens, are in a minority in Pennsylvania to-day.

A full poll of the Democratic vote of the old Keystone State, with the aid to be derived from those true friends of the country who have shown their readiness to abandon party for the sake of principle, will elect Hiester Clymer by a large majority, and overthrow the Radical revolutionists forever.

Shall this glorious consummation be achieved?

Never had men greater incentives to exertion than you have in the present contest.

Your opponents declare that the Union, *to save which Pennsylvania so freely* gave the blood of her bravest and best, shall not be restored.

They are ready to mutilate, annul and destroy the Constitution framed by your fathers, and to overturn the form of free government bequeathed to you by the patriots and sages of the Revolution.

They are laboring to arouse a permanent war of races, and are ready to precipitate the country into another civil war, in order that they may maintain their hold on the power they have so much abused.

They unhesitatingly declare their purpose of making the negro the political and social equal of the white man, and, if they succeed in carrying the coming elections, they will claim that the people of the North have endorsed that odious proposition.

All conservative men desire to see the Union speedily and perfectly restored.

They wish to see the Constitution sacredly preserved.

They desire peace, lasting and permanent peace.

They are resolved that the supremacy of the white race shall be maintained.

Such are the vital issues in the present all important political contest.

John W. Geary is the candidate of the Radicals, and he boasts that he endorses all their views as fully as ever Thaddeus Stevens did.

Hiester Clymer, one of the purest patriots and most accomplished statesmen of the Republic, is the Conservative candidate.

Which of these men shall be the next Governor of the great Commonwealth of Pennsylvania?

It is for you, the Democrats and Conservative men of Adams county, in connection with your fellow-citizens of Pennsylvania, to say.

We are perfectly sure that a full poll of the Democratic and Conservative vote will overwhelm the Radicals with defeat. This we say knowingly, and not for the purpose of political effect.

If we are beaten in the present contest we will have no one to blame but ourselves. Through our own apathy and indolence the enemies of the country will have triumphed over us, and we shall live to curse ourselves for neglect of duty when it will be too late to repair the injury done.

Democrats of Adams county! You polled THREE THOUSAND VOTES for George B. McClellan, in the face of the fiercest opposition any party ever encountered.—You can and will do better than that for Hiester Clymer. But, you must work as you never did in all your lives before to swell your vote. Not a single man who will vote the Conservative ticket must be left at home. In this contest every citizen must labor with all the might that is in him, and there is no one who cannot help forward the great cause.

Go to work, then, with the determination that should characterize freemen in such a struggle. Remember that the best and dearest interests of your country are at stake, and that the result of the present contest will tell for weal or woe upon yourself and upon your posterity after you.

See your *neighbor—talk to him—try to* convince him of the error of his ways, if he be not already firm in the true faith.

Organize fully for the contest. See that ways are provided to convey every voter to the polls. Have vigilance committees of your best men appointed who will see to it that no frauds are perpetrated and no impositions practiced. Organize perfectly—work earnestly and unceasingly until the last vote is polled; and then see that there is a fair and honest count of the ballots.

We speak to you thus plainly and earnestly because it is necessary that you should do your whole duty. The time for action has come. Improve every hour that remains. Remember that upon you, *reader, the responsibility of* maintaining the right rests, as much upon you as any other man in the commonwealth.

The political sky is bright. When we tell you that victory is within your grasp we tell you but the truth. WITH A FULL POLL OF THE DEMOCRATIC AND CONSERVATIVE VOTE WE CANNOT BE DEFEATED.

Let this assurance cheer you and encourage you to discharge your whole duty. With earnest and unceasing work, VICTORY IS SURE.

☞McConaughy's "deserter law" was intended to disgrace and disfranchise many of the best soldiers in the State—men who fought gallantly, (whilst he stayed at home,) and served out their time faithfully. Houck voted for McConaughy's bill. Will those whom he has thus sought to outrage vote for him again?

☞The Radicals have nothing to say about the MILLIONS lavished upon idle negroes—but raise a terrible howl because the high prices *which their party caused* necessitated an increased outlay to maintain the poor whites whom we have among us. Let poor men remember this at the polls.

☞The Radicals threaten, if successful at the fall elections, *to impeach the President!* Would not such a high-handed outrage convulse the country from centre to circumference? Would it not lead to another war, more general and bloody than the last! Lovers of peace and prosperity, will you vote with the Radicals, and thus assist them in carrying out this devilish design?

☞Gen. Custar has been ordered to Missouri. Good! Radical mobocrats will find him a tough customer to deal with.

How the Tickets are to be Voted.

Read this Carefully.

The Legislature, last winter, passed a law which changes the manner of voting. All State officers voted for will be voted for on one slip, labeled "State;" all county officers and members of Congress, Senators, and members of the Legislature voted for, will be voted on another slip, labeled "County;" and all Judges of Courts voted for, will be voted on still another slip, labeled "Judiciary;" which divides the ticket, at the present election, into *three slips. All tickets should be ready cut, folded and tied, before election-day.* Let Democrats attend to this everywhere, and see that *all the ticket* is included in their ballot. The ticket will be printed as follows:

STATE.

Governor,
Hiester Clymer.

JUDICIARY.

Associate Judge,
Isaac Robinson.

COUNTY.

Congress,
J. McDowell Sharpe.
Assembly,
Nicholas Heltzel.
Sheriff,
Philip Hann.
Register & Recorder,
William D. Holtzworth.
Clerk of the Courts,
Adam W. Minter.
County Commissioner,
Nicholas Wierman,
Directors of the Poor,
John Rahn, 3 years,
John Nunnemaker, 2 years,
County Auditor,
Henry L. Bream.
Coroner,
Dr. Wm. J. McClure.

The ticket must be cut apart at each of the wide spaces, with the words "State," "County," and "Judiciary" *folded out.*

THE PROSPECT BRIGHT.

In every portion of Pennsylvania the Democracy are thoroughly aroused. No such enthusiasm ever inspired them before as that which now pervades our ranks. There is not a break in the Democratic column in any election precinct in this Commonwealth. Every Democrat is working and doing his duty manfully. The masses everywhere are shocked at the frightful blasphemies and disgusting dogmas of the "Torch-and-Turpentine" party. They cannot and will not endorse the degrading doctrine of negro saffrage and negro equality. They have been plainly told by the Radical leaders that they are in favor of placing the ballot in the hands of the negro, and even John W. Geary has been forced to admit that it is only a question of time. The people want peace. They have had enough bloodshed. They want Union, Restoration, and Constitutional Liberty, with all their attending blessings and prosperity. And they know, in their hearts, that these can only be attained by the success of the Democratic and Conservative policy, and the total overthrow of the malignant and destructive Radicals. Hence, they have placed their own shoulders to the wheel, and are laboring with unwonted zeal and energy to secure a lasting triumph for the good old cause. Never were the skies brighter—never were our prospects of victory more sure and certain!—*Age.*

ALL RIGHT ALONG THE LINE.

The Democracy are jubilant in this section. The cheering reports of Clymer's prospects from all parts of the State, added to the notable fizzle of the Disunionists in this city on the 22d, have given them renewed hope and confidence. A report is in circulation that Gov. Curtin, upon his arrival from the western part of the State, announced that it was "all up with Geary!" This has added to the general satisfaction among Democrats.—*Harrisburg Patriot & Union.*

☞Let it be remembered by the white freemen of the Commonwealth, that the ardent supporters of Gen. Geary in Philadelphia, refused to extend a public reception to Grant and Farragut, *because they won the battles for the Union,* and now sustain the President.

Let it also be remembered that these same "loyal" men greeted enthusiastically, Fred. Douglass, Ann Dickinson and "Gen." Geary, *because they are enemies of the Union, and worshippers of the negro.*

☞Gen. Rogers, of Arkansas, one of the "loyal Southerners" in the Geary all-wool Convention, wishes it understood, through the New York *Herald,* that he "withdraws from that mixed gathering of shiftless, ambitious blacks and women in breeches." He says that he has gone with that body even farther than his own views could justify, and he "washes his hands, from this time forth, of all its proceedings." Too much wool for the General.

☞Colonel John W. Hicks, of Duncansville, Pennsylvania, a brave soldier, formerly a Republican, has left that party and announced his intention of supporting Colonel Filler for the Legislature in the Bedford District. In alluding to the fact that the Radicals had refused to place a soldier on their ticket, Colonel Hicks says:

It could not be expected that any soldier would get a nomination in *any* convention which *Radicals* controlled, if they had an old civilian political hack to serve. It is the same in this county as in Bedford. Soldiers have been oversloughed always, only when common decency and a slight observance of their professed principles (?) demand it, in fact, the soldier is "played out" among that class, and no soldier need expect any preferment at their hands.

REMEMBER that every Radical Congressman from Pennsylvania voted, last winter, to force Negro Suffrage upon the District of Columbia.

REMEMBER that the last Congress appropriated $7,000,000 to support the negroes of the South in idleness, and remember that we, of the North, are compelled to pay these seven millions.

REMEMBER, Bondholders, that so long as the Union is not restored, your bonds are insecure, for peace and reunion alone can pay our national debt.

☞We learn that the chap named Koontz, who is now making Radical speeches in this county, is a discharged Clerk from Washington. Of course he don't like "my policy."

GEN. GRANT ON THE WITNESS STAND.

A Roorback Squelched.

The Philadelphia *Sunday Mercury* has the following among its special telegrams from Washington:

WASHINGTON, Sept. 22.—Gen. Grant denies the reports in circulation concerning his preference as regards a vote in your State. The General says "his record is that of a soldier, and he has condemned the practice of officers making political capital off of the records of the army." It is not in accordance with his way of doing things.

The General regrets exceedingly that his name has been mixed up with local politics. The report, as published, is a tissue of falsehoods. Gen. Grant never made use of the language attributed to him. He is a warm supporter of the President's policy, and is doing all in his power to influence every one to the same way of thinking.

GEN. FREMONT,

The Republican candidate for President in 1856, and who, during the rebellion, was the idol of the Republicans, is a strenuous friend of Andrew Johnson, and endorses his policy in toto. He was a delegate to the monster Soldiers' and Sailors' Convention that assembled at Cleveland, Ohio, on the 17th ult.—a Convention composed of the very flower of the army and navy, and embracing in its list of delegates nearly every man of note belonging to either branch. Fremont, we say, was there, to assist to save the Union from the clutches of the infernal disunionists and arrant traitors who now menace it. Friends of Fremont!—fall into line, and help save the Union.

REAR ADMIRAL FARRAGUT

Wrote a letter to the Soldiers' and Sailors' Convention, at Cleveland, endorsing its objects. He says ANDREW JOHNSON is right and the Radicals wrong. Like GRANT, he wants PEACE, and insists that the Union has been restored. He deprecates the insane and treasonable plottings of the Radicals, and calls upon his countrymen to put down the men who dare to strike ten stars from the American flag. Freemen!—can you, will you disregard the words of FARRAGUT?

SLOCUM ON THE SITUATION.

Read what the brave Slocum, of the Twentieth Corps—the General who commanded Geary—has to say of the faction which is now using Geary as a means for accomplishing their own selfish purposes:

"There exists among us a political party which for the purpose of retaining power, has prevented the restoration of the Union, which was to be the sole object of the war, a party which would hold a portion of the States in subjection, teaching the rising generation in both sections lessons of jealousy and hatred, instead of seeking to make them forget the bitter past, and become, as they must become, if our Union is ever to be of value, one people in interest and feeling. This party, until Congress assembled, indignantly denied any intention of postponing the restoration of the Union, and appealed to the people for support on the ground of being the only faithful and reliable friends of the President and his policy. This mask has now been dropped, and the issue before the people is clear and unmistakable. Let those who fought for a restoration of the Union now come forward and vote for it, and our victory is assured."

Will the "Boys in Blue" follow the brave soldier, Gen. Slocum, or the "hero of Snickersville?"

From the Bedford Gazette.

A CHANCE TO MAKE MONEY!

Who Bids? Who Bids?

Francis Jordan, Esq., Chairman of the Radical State Committee, has written a letter to C. W. Ashcom, Esq., stating that Congress has passed no law discriminating against white soldiers and in favor of the Blacks! But, mark you, he does not deny that Congress did pass a bill giving $300 bounty to the negroes. Not a bit of it! He knows that to be a fact susceptible of proof by the official records of Congress. But we will not allow Mr. Jordan to dumb-fungle even the most ignorant and credulous. *We now offer to bet $100 with any Radical who will dare to take it up, that Congress did pass a bill giving the negro soldiers $300 bounty!* If no other argument but this will get through some people's skulls, we are willing and ready to give them just as much of it as they want. Who bids?

AN INCIDENT IN GEARY'S HISTORY.

In the year 1861, John W. Geary, then only a paper Colonel—like his friend Forney—purchased from an honest farmer, who then occupied, and still occupies, a stall in the Eastern Market in this city, POTATOES, CABBAGE, and other vegetables, to the amount of *thirty-five dollars* and *thirty-three cents*, for which he persistently refuses to pay, notwithstanding the aforesaid farmer has written to him on several occasions, requesting him to do so. We have this bit of information from the farmer himself; and if any of his friends are anxious to see the victim of the Hero of Snickersville, he can be found at his stalls in the Eastern Market any day in the week.—*Philadelphia Mercury.*

WORKING MEN.

We speak to you not as a Democrat or Republican, but as an honest, laboring, earnest self-supporting and government maintaining man, and we speak in all candor and earnestness.

If you vote for radicalism this fall you vote for

A *dissolution of the Union.*
Another rebellion which will end in a general, terrible revolution.
Depriving restored States of their honor and rights.
To tax a people without giving them representation.
To educate one section to hate another.

You also vote—

To continue in power the most corrupt, dishonest, law hating leaders a party or country was ever cursed with, and

To pile up *mountains of debts* for your innocent children to pay.

If you vote for Democracy and a restoration of the *Union* you vote for

The equality of the States.
Taxation and representation to go together.
For a peaceful Union.
For the good of an entire country, rather than a *small section of it.*
For equal taxation.
For lessening your own taxes.
For protecting working men.
For peace, prosperity, the Union, the laws and Constitution and common justice.

It is for you to decide whether you will have peace or war; whether you will be freemen or slaves.

☞The procession at the Democratic mass meeting in Lancaster on the 25th, says the *Intelligencer,* "is admitted by all to have been by odds the largest and most imposing display of the kind ever made in this city by the Democracy, and that is saying much, for they have been noted for getting up fine demonstrations in the past."

☞The incendiary utterances of Brownlow and Forney have brought upon their faction the name of "Torch and Turpentine party."

THE CRISIS!

THE PEOPLE WAKING UP!

They are Rallying under the Flag of Thirty-six Stars!

None but White Men shall Rule!

MEETING AT MYERS'S GROVE.

The Johnson and Clymer meeting at Henry J. Myers's Grove, on Saturday afternoon week, was largely attended. We noticed persons present from twelve or thirteen districts of the county, whilst the near townships turned out in great strength. Quite a number of ladies also graced the occasion with their presence. A spacious stand had been erected in the Grove, which was beautifully decorated with wreaths and flags. Henry J. Myers, Esq., called the meeting to order, and read the following list of officers, which was adopted:

Bowers, Peter Miller, Jeremiah Slaybaugh, Michael Dellone, F. J. Wilson, Jacob Miller, Henry Thomas, Esq., Hon. I. E. Wierman, Thomas R. Bowers, Jacob Zug, Dr. A. B. Dill, George Bowers, John G. Brinkerhoff, George Ehrehart, Wm. Thomas, of C. Nathaniel Miller.

Secretaries, A. J. Bowers, Peter Ginter, Philip Donohue, Jeremiah Shriver, Samuel March, John Hanes, Joseph Holtz, John Eicholtz, Henry Hemler, Frank J. Will, Thomas G. Neely, Peter Frey, Thomas Ehrehart, Daniel H. Klingel.

The heavy rain of the previous day, and which then threatened to continue several days, prevented Judge Hepburn and Mr. Stenger from starting for the meeting, and the large crowd in attendance was therefore compelled to forego the pleasure of hearing them. The home speakers present were called upon, and they severally responded, in the following order: Dr. D. S. Peffer, E. B. Buehler, Esq., H. J. Stahle, W. A. Duncan, Esq., Dr. W. J. McClure, and Dr. C. E. Goldsborough. The meeting adjourned with three cheers for Johnson, three for Clymer, three for the whole Democratic ticket, and three for THE PEOPLE.

AT MIDDLETOWN.

The Johnson and Clymer meeting at Middletown on Monday evening was a fine turn-out, Butler rallying in her strength, and Franklin and Menallen contributing no little to the number present. The following gentlemen were the officers of the meeting:

President, Jacob Raffensperger, Esq.

Vice Presidents, Joseph Wolf, Burkhart Wert, Jacob Peters, John Eicholtz, Jacob Lentz, Capt. Jacob H. Plank, Moses Raffensperger, E. W. Stahle, Richard Fitzgerald, George Weaver, Wm. Guise, Wm. Eichinger.

Secretaries, Lieut. S. H. Eicholtz, Hezekiah Hoffman, Henry Rice, Jr., John Raffensperger, Jacob Eicholtz, George Schlosser, David T. Howe, John Lauver, Aaaron Wisler.

Speeches were made by Adj. J. H. White, W. A. Duncan, Esq., E. W. Stahle and H. J. Stahle, when the meeting adjourned with rousing cheers for Johnson, Clymer and the whole Democratic ticket.

IN GERMANY TOWNSHIP.

The friends of Johnson and Clymer in Germany township held a meeting on Thursday evening, to make arrangements to come to Gettysburg on the 4th, which was largely attended. We have not been furnished with a list of the officers, but learn that Hon. Wm. McSherry made an able speech of an hour, and was followed by Dr. C. W. Benson and G. B. Yantis, Esq., also in a very satisfactory manner.

AT HUNTERSTOWN.

The meeting at Hunterstown on Friday evening was a fine turn-out. The officers were:

President, Jacob Toot.

Vice Presidents, George T. Hudson, John G. Gilbert, Henry Mollison, Jacob Witmor, George Hagerman, Frederick Quickle, D. C. Brinkerhoff, Edward Moritz, John Dundore.

Secretaries, Abraham King, Jr., Samuel McCreary, John A. Rebert, Aloysius Marshall, John E. Little, William McCreary, *Philip Donohue.*

The meeting was addressed by J. C. Neely, Esq., Wm. McClean, Esq., Jesse D. Newman, Esq., and Dr. C. E. Goldsborough. The issues of the day were discussed in an able and convincing manner. The speeches were well received, and created much enthusiasm.

AT TWO TAVERNS.

The Democracy of Mountjoy met in the School-house, at the Two Taverns, on Friday evening, mainly to make arrangements for the Mass Meeting here on Thursday next. There was a full attendance, and the following gentlemen were officers:

President, J. Scott Wilson.

Vice Presidents, Isaac Lightner, Esq., James H. Collins, John Haner, Peter Orndorff, Charles Breighner, U. M. Apler, John Gerich, Henry Eltz, Joseph Arentz, Joseph Crabbs, John Strealy, John Rebert, J. A. Orndorff.

Secretaries, Moses Hartman, Esq., Joseph Orndorff, John King, Edward Collins, E. Fiscel.

Isaac Lightner, Esq., stated the object of the meeting, after which W. A. Duncan, Esq., made an effective speech of over an hour's length. After some business, the meeting adjourned with cheers.

THE MASS MEETING.

The Johnson and Clymer men of the Borough met at the Globe Inn, on Saturday evening week, for the purpose of making arrangements for the Mass Meeting on the 4th of October. Hon. David Ziegler was called to the Chair, with Valentine Rilling as Vice President, and Robert Elliott as Secretary.

After a full and free interchange of opinion, the following appointments were made:

Committee of Arrangements.—H. J. Stahle, Jacob Troxel, W. A. Duncan, Wm. J. Martin, Adam Rebert, Jacob Bushey, Jesse M. Walter, Edward Menchy, Jeremiah Diehl.

Committee on Stand and Decorations.—H. S. Benner, R. D. Armor, George Geyer, Jacob W. Gilbert, *Jacob Sheads,* Jerome Martin, David Culp, Jr., Jacob McDannell, Geo. A. Codori.

Adj. J. H. White was appointed Chief Marshal.

After the above proceedings, Jacob Lott, of Cumberland township, who happened to be present, was called on for a speech, and he responded most acceptably. His remarks were sound and telling, and gave great satisfaction to all who heard them.

☞The Committee of Arrangements had a meeting on Friday evening, and decided to have the speaking in front of the Court-house, where a suitable stand will be erected. The grand procession will move immediately upon the arrival of Mr. Clymer, and after passing through several of the principal streets, adjourn for dinner—the organization and speaking as soon thereafter as possible. Adj. White, Chief Marshal, has appointed a number of Aids from different parts of the county, to assist him in receiving delegations and arranging the procession—so that everything will no doubt move along smoothly, let the crowd be as big as it may.

Our Hanover friends have secured a free train, to arrive here in the morning and return in the evening. Round trip tickets from Oxford 30 cents. We hope that all who cannot otherwise come, will avail themselves of the cars. A Gala Day may be expected.

☞Nicholas Heltzel has ability, and will represent this county in the Legislature with credit to himself and his constituency. Why not all vote for him?

TOWN AND COUNTY AFFAIRS.

FLAGS FOR THE GREAT MASS MEETING.—Persons desiring Flags for the great Johnson and Clymer Mass Meeting, in this place, on Thursday next, will find a large and beautiful assortment for sale at Capt. W. J. Martin's, corner of Baltimore and High streets. He has Muslin and Bunting Flags, all sizes and all prices.

☞THE BENDERSVILLE FAIR, notwithstanding the bad weather of the first two days, proved quite a success. The display was good, probably the best yet had there, whilst the attendance averaged well, and made the receipts handsome. Aaron Sheely, Esq., delivered the Annual address, a production of much merit, and which won universal praise.

The Marshall grey horse took the $40 premium for best trotting, making his mile in 2.57. The next best, the Sterret horse, we believe, was but one second behind—2.58. More anon.

☞Those of our readers who are afflicted with Stuttering and Stammering, or impediments in their speech, will be pleased to learn that the celebrated Dr. Wyckoff, of Readville, N. J., will visit Gettysburg on the 8th and 9th of October, and stop at the Eagle Hotel, where he will treat those diseases. He has effected some of the most wonderful cures,—bordering almost on the miraculous. He never fails, and his cures are permanent. No cure no pay.

☞Thomas Barry, the gardener at St. Joseph's, near Emmitsburg, one day last week, made us a big present, consisting of four "eggs" of the Egg Plant, all of immense size, one of them measuring 34 inches in circumference. Mr. B. is tendered our acknowledgments.

A LARGE BLACKSNAKE SHOT.—George Fried, on Wednesday last, whilst pigeon hunting, near Henry Hartman's, Franklin township, shot a Blacksnake measuring 6 feet 4 inches in length, and 6 inches around the body. One more vote less for Geary!

☞A splendid assortment of Fall and Winter Millinery Goods just received by Miss Harriet McCreary. The Ladies should give her a call.

SOLDIERS' CLYMER CLUB.

The "White Boys in Blue" of Franklin township have formed a Clymer Club, with the following officers:

President, Capt. Jacob H. Plank.
Vice Presidents, Jacob Eicholtz, Adam Bucher.
Secretary, William Russell.
Treasurer, Jonas Orner.
Executive Committee, Noah Lott, Abner Mark, Lewis Carbaugh, Lewis Brady, John Baker, George Beck.

WELL SUMMED UP.

The boys in blue fully comprehend the extra bounty business. A one armed veteran pithily summed it up the other day at a meeting in Philadelphia, as "one hundred dollars for the white man, three hundred dollars for the nigger, and two thousand dollars for the members of Congress." The soldier evidently appreciates Radical generosity at its exact value.

For the Gettysburg Compiler.

H. J. STAHLE,—Sir:—I can't bear John McIlhenny's flings at an old soldier comrade of mine, Wm. D. Holtzworth. Billy Holtzworth was as gallant a boy as ever wore the blue. No man in his company or regiment ever dared to say anything else. And yet John McIlhenny is trying to pull him down. I am a Republican, but will stand by a fighting soldier any time—especially when abused by one who had a fat (draft) office at home when we were *risking our lives* on the battlefield. You havn't said a harmful word of Crist, and I respect you for it as a gentleman. But John McIlhenny, who pretends such friendship for soldiers, shows that he is not a friend of any one, no matter how well he fought, or how he was crippled, unless he agrees with him in his politics. This is not right, and I'll show McIlhenny that at least one Republican soldier won't follow him in his meanness. Billy Holtzworth has more pluck in his little finger than McIlhenny has in his whole body, and is more of a gentleman to boot. SOLDIER.

DESPERATION!

The Radicals must be in a desperate mood. We were told, the other day, that a busy niggerite on the north side of the county, tried to persuade a Democrat to vote for Cashman, because, he asserted, "the copperheads and Catholics had beaten a soldier at the Gelselman meeting"—a more outrageous falsehood than which was never invented. There is not the least shadow of truth in it. Democrats and Conservatives, will you allow your honest and upright candidate for Sheriff, Philip Hann, to lose votes in this contemptible way? To work, now and at once, everywhere, and not only expose these Radical lies, but hold up their authors to the odium which they deserve.

☞Philip Houck was in the Legislature last winter. Of what service was he to the people of Adams county? None at all. We might as well have had nobody there. Will our Border Sufferers vote for him again, and thus have their claims for damages further ignored? They should all think of this before depositing their ballots.

☞Occasionally an ignorant and venomous Radical, for the want of anything else to say, talks of the old Democracy as a "dead party." Democrats of Adams, show them a little of your "life" on Thursday next—show them that you can beat their procession of 621 anyhow!

☞Nothing seems too low for Radicals to stoop to to make votes. We are informed of offers by them to poor men, of pieces of pork, half cords of wood, &c., if they will vote for niggerite candidates. Democrats, watch these advances, and whenever discovered, expose them.

Another Disunion Canard Exposed.

BEDFORD, Pa., Sept. 25.—8.10 P. M.—*Editors Patriot and Union:*—The dispatch in yesterday's *Evening Telegraph,* stating that Hon. Benjamin F. Meyers, of this place, had eulogized Booth, the assassin of the late President, is entirely false.

J. W. DICKERSON,
Chairman County Committee.

☞The Democratic mass meeting at Chambersburg on Wednesday was a monster gathering, notwithstanding the day was rainy and disagreeable. The procession was over three miles in length. There was a cavalcade of 1,000 horsemen. The number present at the meeting is estimated at 12,000.

☞A grand Clymer Mass Meeting will come off at Carlisle on Saturday next.

☞If the returns of the Maine election will only be kept back long enough, possibly they may show that the Democrats have carried the State. Thus far every additional report from Maine has reduced the majority claimed for the Republicans. First it was 30,000, then 26,000, then 28,000, and now it promises not to exceed 23,000.

Special Notice Column.

A Humbug.

HOW OFTEN WE HEAR THIS EXPRESSION from persons reading advertisements of Patent Medicines, and in nine cases out of ten they may be right. It is over 19 years since I introduced *my* medicine, the Venetian Liniment, to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated in *my* pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was, *by many,* thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store. Now my sales are *millions* of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhœa, *Dysentery, Colic, Vomiting,* Spasms, and Sea sickness, as an internal remedy. It is perfectly innocent to take internally, see oath accompanying each bottle,—and externally for Chronic Rheumatism, Headache, Mumps, Frost-bitten Feet, Bruises, Sprains, Old Sores, Swellings, Sore Throats, &c., &c. Allcock's Porous Plasters.

BEST STRENGTHENING PLASTER IN THE WORLD.

Allcock's Porous Plasters resolve and assuage pain by calling forth the acrid humors from parts internal to the skin and general circulation—thus, in many cases, positively evaporating the disease.

JAMES LULL, M. D.

There is nothing equal, in the way of a plaster, to the Porous Plaster of Mr. ALLCOCK. Everything is pleasant about them. They are the plaster of the day, and a fit type of our present advancement in science and art. In Asthma, Cough, Kidney Affections, Gout, Rheumatism, and local deep-seated pains, they afford permanent relief.

J. F. JOHNSON, M. D., on "Topical Remedies."

From a personal knowledge of these plasters, we can state that they are decidedly preferable to any other in use. Wherever relief is to be obtained by the use of a plaster, we should recommend them. A. INGRAHAM, M. D.,

Cleanse the Blood.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or Kings' Evil, Tumors, Ulcers, Sore Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints, and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, many, Sarsaparilla, but often no curative properties whatever. Hence, their disappointment in not following the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

Ayer's Cherry Pectoral is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Campaigns of the

ARMY OF THE POTOMAC.
By WILLIAM SWINTON.

The STANDARD History of the GRAND ARMY. The greatest Work on the War. Universally endorsed by army officers and the press. The AUTHOR says:

"I design in this volume to record what that Army did and suffered in ten campaigns and two score battles."

"I shall have to celebrate the unswerving loyalty of this army, that oftimes when the bond of military cohesion failed, held it, unshaken of fortune, to a duty self-imposed."

"I shall have to follow it through a checkered experience, in a tale commingled of great misfortunes, great follies and great glories; but from first to last it will appear that, amid many buffets of fortune, through "winter and rough weather," the Army of the Potomac never gave up, but made a good fight, and finally reached the goal."

The "Army and Navy Journal" says:

"This is the only American critical work on the late war, and it is thoroughly critical and entirely divested of all political hue or tone."

This is the only History of the "Grand Army," and no one who has borne a part in its conflicts, or is interested in its grand achievements, should be without it.

The work sells itself. The people are tired of political and partisan histories, and want something from official sources. We have Agents clearing over $200 per month. Send for circulars, and see our terms and proof of the above assertion. Address,

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they profess to cure. And yet this corrosive mineral so denounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS

are composed entirely of roots and herbs, obtained from the great Storehouse of Nature, and their salutary effects will appear as soon as the medicine is brought to the test of a fair experiment. SCHENCK'S MANDRAKE PILLS do not produce any nausea or sickness of the stomach; but when given for Dyspepsia, it may be proper to use them in connection with SCHENCK'S SEAWEED TONIC. By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured.

When we reflect that the liver is the largest internal organ of the body, that to it is assigned the important duty of filtering the blood and preparing the bile, that it is subject to many disorders, and that when it is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and *effect cures which may appear to be almost miraculous*. Headache of long continuance, severe pains in the side, breast and shoulders, coughing of the Limbs, a feeling of general weakness and wretchedness, and other alarming and distressing symptoms, indicative of imperfect or disordered action of the liver, are speedily removed by the use of SCHENCK'S MANDRAKE PILLS.

Costiveness, Piles, bitter or sour eructations, and that indescribable feeling of oppression, mental anxiety, languor, lethargy, and depression of spirits which unfit a man for the management of business and the enjoyment of life, are all relieved by the use of SCHENCK'S MANDRAKE PILLS.

DR. SCHENCK—Dear Sir:—I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I can scarcely find language sufficiently strong to express my heartfelt gratitude for the wonderful cures your MANDRAKE PILLS and SEAWEED TONIC have effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burthen: my whole system was in a state of inflammation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wrists and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head, which would fell me to the ground, and I would be carried away for dead. I applied to several eminent physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail.

One of them said he could do no more for me, and advised me, as a last resort, to drink cod liver oil. Not relishing the horrid trash I declined to take it. Accident put your advertisement in my hands. I called on you; you examined me and told me the nature of my disease. You then ordered me the Pills and Tonic with an observance of diet, pledging your word that in one week I would find myself another man. I followed your advice, and, as you predicted, an astonishing cure was effected. I continued your Pills and Tonic *for some time, and now thank God for his goodness*, and your valuable medicine, I am once more restored to perfect health. I most earnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic a fair trial, and a cure will be effected. I have sent many persons to you, and they have all been cured. Any information my fellow-citizens may require will be freely given by the subscriber, at his residence, No 812 Federal street, between 8th street and Passyunk road.

CHARLES JOHNSON, Sr.,
Former Printers' Ink Manufacturer.

Dr. Schenck will be professionally at his principal office, No. 15 North Sixth street, corner of Commerce, Philadelphia, every Saturday, from 9 A. M. until 4 P. Price of the Pulmonic Syrup and Seaweed Tonic, each $1 50 per bottle, or $7 50 per half dozen. Mandrake Pills, 25 cents per box.

Three Valuable Farms

AT PUBLIC SALE.—On FRIDAY and SATURDAY, the 12th and 13th days of OCTOBER next, the subscribers, Executors of Jacob Sheely, deceased, will offer at Public Sale, the following Real Estate, of said decedent, viz:

No. 1.—A GOOD FARM, situate in Mountjoy township, Adams county, 3 miles south of Gettysburg, near the Baltimore turnpike, adjoining lands of Andrew Beitler, M. Fiscel, and others, containing 108 ACRES and 53 PERCHES, with a due proportion of Meadow and Woodland. The farm is beautifully located, and is in a good state of cultivation, having all been limed. The improvements are a Two-story STONE HOUSE; a large and good Bank Barn with Wagon Shed and Corn Crib attached, Carriage House, Hog Pen, Smoke House, &c. There are two good Apple Orchards on the premises, with an abundance of other fruit trees and vines.

No. 2.—A FARM, situate in Franklin township, Adams county, 1 mile east of Cashtown, on the road leading from Mummasburg to Chambersburg, adjoining the Mansion Farm, and adjoining lands of John Butt, Peter Comfort, and others, containing 109 ACRES, more or less. The improvements consist of a large and very superior Bank Barn, just finished, and a commodious BRICK HOUSE in course of erection. It is expected that the House will be completed by the day of sale. There is an Apple Orchard thereon, with a variety of other fruit trees. A part of the land has recently been limed. The outside fences are good. There is a sufficiency of Meadow and Woodland. This place will in a few years become one of the most beautiful and attractive homes in the country. Pleasantly and beautifully located in one of the finest farming regions in the State, this Farm offers a rare chance to capitalists.

No. 3.—A TRACT OF CHESTNUT TIMBER land, lying in Franklin township, adjoining lands of John Hartman, and Moses Hartman, Esq., containing 12 Acres, more or less.

No. 4—THE MANSION FARM, situate in Franklin township, Adams county, 1 mile northeast of Cashtown, on the old Menallen road, adjoining lands of John Deardorff, Peter Shull, and others, containing 318 ACRES, more or less, about one-third of which is in excellent Timber, such as Chestnut, White and Black oak, Rock oak, Poplar, &c.

The improvements are a large Two-story DWELLING, one part of stone, and new, and the other log and Weatherboarded. The old part has been recently repaired and repainted, and is now as good as new. The Barn is Bank, very large and good. It has recently been very much enlarged and improved, and *will now stable from 18 to 20* horses and as many cows. There is a very large Wagon Shed and Corn Crib attached. The out-buildings are a Carriage House, Spring House, Wash House, Smoke House, Blacksmith Shop, &c. The land has nearly all been limed once, and some twice, and is now in the highest state of cultivation. It is generally conceded that this is one of the best and most productive farms in the county. Nearly every field has either a spring or a stream of running water in it the year round. Hence it is well adapted for stock raising and dairy purposes. The farm is under good fencing. There are three excellent Apple Orchards on the premises, with an abundance of Peach, Cherry, Pear and other fruit trees. Fruit seldom fails here. This Farm need only be seen to please—rarely does one like it get into market.

Persons wishing to view Farm No. 1 will please call on Mr. C. Snyder, its occupant, or *Aaron Sheely, residing in Gettysburg*, and those wishing to view the other properties will call on the family of said decedent, residing on the Mansion Farm.

The Great Bone Fertilizer.

BAUGH'S
RAW BONE PHOSPHATE,

containing 53 per cent. of Phosphate of Lime, and 5.05 per cent. Ammonia.

It should be borne in mind that the Phosphate of Lime in this article being obtained exclusively from RAW BONES and a TRUE BIRD GUANO, there is NO PORTION of it INOPERATIVE, as in the case of SUPER PHOSPHATES made from MINERAL GUANOS—but being entirely SOLUBLE in the SOIL, continues to IMPART its FERTILIZING qualities to the CROPS for YEARS.

The REMARKABLE SUCCESS which has attended its use for years past, is a sufficient GUARANTY to induce those who have not tried it to do so.

The GRAIN CROP where this FERTILIZER has been applied is supposed to have been INCREASED from 25 to 50 per cent. by its use, while for TOBACCO and GRASS LANDS its success has been EQUALLY DECIDED.

The price in Baltimore is uniform with the Manufacturer's Factory Price.

Soluble Pacific Guano.

200 LBS. SOLUBLE PACIFIC GUANO contains 70 lbs. *animal matter*, yielding 7 to 8 lbs. *ammonia*.

Also 80 to 90 lbs. *earthy bone Phosphate of lime*, 30 lbs. of which are *soluble phosphate*.

It combines all the advantages of the *best brands* of Super Phosphate, with those of Peruvian Guano.

By reason of its greater *concentration*, we recommend 20 per ct. less by weight to be used per acre, than of any fertilizer costing the *same per ton*; and no more per acre than of those selling at 20 per ct. more per ton.—Hence *its economy*.

This guano weighs 65 lbs. per bushel, hence in applying it farmers must be governed by weight and not by bulk, for it is much lighter than the Super Phosphates. *Every cargo duly inspected.*

JOHN S. REESE & CO,
GENERAL AGENTS FOR THE SOUTH,
71 *South Street, Baltimore.*

"Flour of Bone."

WE will give a *money* guarantee of the *purity* of this article. It is pure *unsteamed, unburnt bone*, reduced to the *fineness of flour*, which adds 100 per ct. to its value. It is as *quick* and *active* as acid *dissolved bone*, hence its value is vastly greater, because it contains neither acid nor water, which necessarily add weight, and reduce the quantity of valuable elements. We recommend 250 lbs. to be used in place of 300 lbs. Super Phosphate or dissolved bone.

FOUTZ'S

CELEBRATED

Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS,

YELLOW WATER, HEAVES, COUGHS, DISTEMPER, YEVERS, FOUNDER LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

THE
PERUVIAN SYRUP

IS A PROTECTED SOLUTION OF THE
Protoxide of Iron,
a new discovery in medicine which
STRIKES AT THE ROOT OF DISEASE,
by supplying the Blood with its VITAL PRINCIPLE, OR LIFE ELEMENT—IRON.

This is the secret of the wonderful success of this remedy in curing

DYSPEPSIA, LIVER COMPLAINT, DROPSY, CHRONIC DIARRHŒA, BOILS, *Nervous Affections, Colds and Fevers, Humors, Loss of Constitutional Vigor, Disease of the* Kidneys and Bladder, Female Complaints, and all diseases originating in A BAD STATE OF THE BLOOD,

or accompanied by DEBILITY, or A LOW STATE OF THE SYSTEM.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor and new life into all parts of the system, and building up an IRON CONSTITUTION.

DYSPEPSIA AND DEBILITY.

From the Venerable Archdeacon Scott, D. D.

DURHAM, Canada East, March 24, 1865.

* * * "I am an inveterate Dyspeptic of more than 25 years' standing."

* * * "I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

One of the most DISTINGUISHED JURISTS in New England writes to a friend as follows:

"I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a NEW MAN of me; infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

An EMINENT DIVINE of Boston, says:

"I have been using the PERUVIAN SYRUP for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."

☞ THOUSANDS have been changed by the use of this remedy; from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, will be sent FREE to any address.

SEYMOUR THATCHER, M. D., of Herman, N. Y., writes as follows:

"WISTAR'S BALSAM OF WILD CHERRY gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, thus REMOVING THE CAUSE, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best, Cough medicine with which I am acquainted."

The Rev. JACOB SECHLER, of Hanover, Pa., well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted:

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—WISTAR'S BALSAM OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefitted by it.
